### **Growth Milestone for 2023**

*Consolidated turnover increase of 32% CAGR<sup>1</sup> in 2023*

**Zurich – 29/04/2024** – As Inspired Solutions LLC celebrates its 15<sup>th</sup> birthday, the company announces further revenue growth in 2023. Rob Hoobroeckx (Managing Partner and CEO) commented -

"2023 was a year of transformation for Inspired Solutions. With a strong order book and clear backing from our key clients we were able to significantly invest in the business. We expanded our geographical reach with a local presence in an additional seven countries, while adding more capacity in our key markets. In addition, we added a new relationship in Asia Pacific and expanded our reciprocal arrangements with other risk engineering consultancies in Europe.

While 2023 was marked by a significant build out of our capabilities and reach, our first quarter 2024 activities are an early indication that the investment has paid off. Clients had pre-booked 55% of our 2024 capacity by the end of Q1."

#### **Positive Client Impact**

"Our consistent double digit CAGR over the past 15 years is a reflection of the added value and high level of responsiveness that Inspired Solutions LLC brings to clients. New country coverage continues to be a key priority as we seek to reduce our travel needs and therefore our carbon footprint" Hoobroeckx stated.
